CONTENTS FOR VOLUME 53

Allen R.K.
New records of mayflies from California and Mexico 210
Allen, R.K.
Review of *Ephemerella* and description of new species 215
Allen, R.K.
New species of *Ephemerella* from Alberta 286
Annecke, D.P. and Prinsloo, G.L.
New species of *Cheiloneurus* parasitic in *Ceratina* from Tanzania 233
Barnard, D.R.
Skeletal-muscular mechanisms of larval *Lucilia sericata* 223
Barr, W.F.
New genus of European Cleridae 32
Beal, R.S., Jr. and Seeno, T.N.
Dermestes medialis a synonym of *Dermestes tristis* 33
Book Reviews 73, 180, 187, 214
Bouseman, J.K.
Distribution and host relationship of *Idiomelissodes duplocincta* in Mexico 103
Chandler, D.S. and Hagen, K.S.
New synonymy of North American *Notoxus* 230
Chemsak, J.A.
New Neotropical Tillomorphini in *Tetranodus* 124
Chemsak, J.A.
Some Mexican species of *Phaea* 269
Cheng, L.
The elusive seabug *Hermatobates* 87
Cook, S.F. and Turlington, L.W.
New host species for long-tailed sawfly, *Sirex longicauda* 268
Correction 97
Dailey, D.C.
Elevation of *Loxaulus brunneus* variety *atrior* to species 145
Dailey, D.C. and Sprenger, C.M.
Three new gall-inducing *Callirhytis* from *Quercus cedrosensis* .. 43
dos Passos, C.F.
Taxonomic note on *Polygonia faunus arcticus* 179
Doyen, J.T.
Synonymy in Coniontini 1
Duckworth, W.D. and Eichlin, T.D.
New species of clearwing moth from southcentral Texas 175
Editorial Notices 146, 249
Edmunds, G.F., Jr.
Baetisca bajkovi in Wyoming 222
Evans, H.E.
Aphilanthops hispidus as a predator on bees 123

Evans, H.E.
Prey specificity in *Clypeadon* 144
Fields, W.C., Jr.
A new *Megaleuctra* from California 211
Giuliani, D.
Notes on the 1973 migration of *Vanessa cardui* 257
Gordh, G.
A new species of *Scotolinx* with notes on the genus 205
Grigarick, A.A. and Schuster, R.O.
A new species of *Allobrox* 219
Haddock, J.D.
Effect of stream current velocity on habitat preference of *Hydropsyche oslari* 169
Haddock, J.D.
Larval morphology, behavior and distribution of two *Nectopsyche* caddisflies 253
Hartman, M.J. and Hynes, C.D.
Biology of range crane fly, *Tipula simplex* 118
Hespenheide, H.A. and Rubke, M.A.
Prey, predatory behavior, and daily cycle of *Holopogon wilcoxi* . 277
Historical Note 117
Index 312
Irwin, M.E.
A new genus and species of stiletto-flies from southwestern North America 287
Johnson, C.D.
Two new species of *Acanthoscelides* and new host records 60
Johnson, C.D.
Ecology and behavior of *Acanthoscelides mundulus* in seeds of *Nissolia schottii* 161
Johnson, C.D.
Notes on host plants and distribution of *Acanthoscelides pauperculus* 303
Kavanaugh, D.H.
Example of aggregation in the *Scaphinotus* subgenus *Brennus* . 27
Kimsey, L.S.
New species of bees in *Euplusia* and *Eufriesia* 8
Landa, E.R.
Unusual ant nest morphology for *Formica fusca* in western Oregon 250
Langston, R.L. and Miller, S.E.
Expanded distribution of earwigs in California 114
Lewis, A.E.
The *Sternidius* of Arizona 195
Mari Mutt, J.A.
Status of *Allocopus* and redescriptions of its two species 241
Mayer, D.F. and Johansen, C.A.
Cantharidin from *Meloe niger* 101

Notices 232, 236
Oetting, R.D.
Immature stages and biology of *Chionodes psiloptera* in bluegrass seed fields 258
Parker, F.D.
Nests of *Anthocopa enceliae* and *A. elongata* 47
Parker, F.D.
Biological notes on some Mexican bees 189
Parker, F.D.
A new *Ashmeadiella* from Arizona 193
Paulson, D.R. and Garrison, R.W.
List and new distributional records of Pacific Coast Odonata . 147
Pinto, J.D.
Descriptions of first instar larvae of three species of Epicautine blister bettles 135
Pinto, J.D.
Unusual seasonal occurrence of blister beetles in the Colorado Desert 204
Poinar, G.O., Jr.
Observations on the kelp fly, *Coelopa vanduzeei* in southern California 81
Potts, R.W.L.
Anomalinae 2. An annotated checklist of *Anomala* for United States and Canada 34
Potts, R.W.L.
Anomalinae 3. Key to the species of *Anomala* of America north of Mexico 129
Powell, J.A.
Biological and distributional data for *Evergestis angustalis* 113
Proceedings, Pacific Coast Entomological Society 74
Recent Literature 7, 42, 55, 174, 229, 311
Rockwell, R.F. and Grossfield, J.
Courtship behavior of *Scaptomyza (Bunostoma) australis* 305
Shepard, J.H.
Immigration of *Phyciodes mylitta* to Vancouver Island..... 167
Siegfried, C.A., et al.
Adults of *Oroperla barbara* 126
Smetana, A.
A new species of *Cryptopleurum* from Central America..... 142
Somerby, R.E.
New species of *Eleodes (Blapylis)* from western United States.. 19
Tidwell, M.A. and Philip, C.B.
A new *Bolbodimyia* from Mexico's Central Plateau 98
Timberlake, P.H.
Description of two new species of *Heterosarus*..... 56

Turlington, L.W. and Cook, S.F.
Collection of larval *Syntexis libocedrii* from Amador County, California 285
Wangberg, J.K.
A new *Tetrastichus* parasitizing tephritid gall-formers on *Chrysothamnus* in Idaho 237
Wharton, R.
Exodontiellini, a new tribe of Opiinae with exodont mandibles 297
Wickman, B.
Spider predation on early instar larval Douglas fir tussock moth 46
Wirth, W.W.
A new *Culicoides* biting midge from California..... 53
Yensen, N.P., et al.
Checklist of Idaho ants..... 181
Young, A.M.
Notes on the biology of *Hypothyris euclea* in Costa Rica 104
Zoological Nomenclature 31, 86, 192, 203, 218, 252, 276
